

REVIVAL'S

NEWS LETTER

January 2012

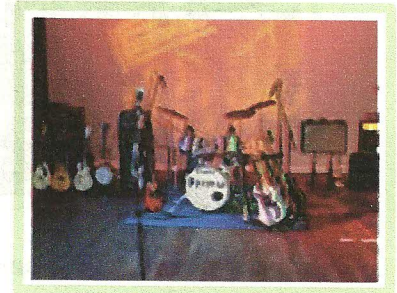

BONINGTON THEATRE CONCERT CONFIRMED

March 3rd 2012 has now been confirmed as the date for another chance to see Revival in Concert at the Bonington Theatre, Arnold. Although a band that loves to have its audience up on the dance floor, creating a party atmosphere at every gig, the chance to entertain a seated audience is one that is relished by the whole Band.

The plan is to play as many REVIVAL favourites as possible interspersed with a few new or slightly different songs more suited to the theatre environment than the dance hall. On this occasion the band will be joined by Anna, Matt and Jon all outstanding performers in their own right. The evening will be compered by our very good friend Brian Tansley. The concert will take place just days before REVIVAL celebrate their 22nd year together which is bound to evoke many memories and also resurrect a few sounds from the past.

As someone who has an interest in Revival, you will know that they have helped to raise many thousands of pounds for charities over the years. This concert will raise money for Help for Heroes. It is hoped that as many of you as possible will join us for what will be a memorable evening of musical entertainment. Your support will also benefit an extremely worthwhile cause.

Tickets are available from the Bonington Theatre Box Office priced at £10. Telephone 0115 9670114 or call in person.

DO YOU WANT TO DANCE?

2011 was another very successful year for REVIVAL with many favourite venues revisited and old acquaintances being renewed.

2012 is promising to be equally exciting with a substantial number of confirmed engagements already in the diary. Many of these are private events and will once again see the band travelling to distant parts of the country and playing at some prestigious venues. There are, however, a significant number of events where the organisers would love you to come along and support their evening while enjoying the atmosphere generated at a REVIVAL gig. The list is

published overleaf and is correct at the time of printing.

REVIVAL's early Christmas Parties are always popular and the second one sells out each year without exception. The first party generally has between 10 and 30 tickets available on the night, some of which are taken up by those taking a chance and paying at the door. These evenings are one of the highlights of REVIVAL's year and should not be missed if at all possible.

At the time of writing it is thought that only 14th December is available for us to hire Mapperley SSC. An alternative venue is being sought to host the second party night and the outcome will be made known as soon as possible.
